This warranty applies to the original purchaser only and is not transferable.

1. During warranty period, Shakespeare will repair or replace without charge valid defects in materials and workmanship. Warranty does not apply to antennas that have been damaged through accident, misuse, negligence, modification, alteration, abuse, or normal expected wear. Damage that is determined to be of this nature will be repaired at customer's expense.
2. Repairs or adjustments covered under this warranty are to be determined by Shakespeare.
3. For your protection, we require proof of original purchase date for warranty determination. This procedure insures that you receive full-term warranty from the date of original purchase.
4. All packing and shipping charges to return antennas for repair are the responsibility of the customer. Please pack antennas carefully to eliminate shipping damage. It is wise to insure shipments against loss or damage. Return antennas to Shakespeare Distribution Center - Military Products, 6111 Shakespeare Rd., Dock 11, Columbia, SC 29223. Please include a detailed description of the problem you are experiencing along with your proof of purchase. Shakespeare will return the repaired antennas to you prepaid within the United States.

6. Prior to returning an antenna, we encourage you to contact the Shakespeare Military Sales Department by telephone or letter to discuss the nature of the problem. Many times a satisfactory solution can be reached without the need of returning the antenna. In some cases, the freight charges for returning a single antenna are equal to or greater than the value of the antenna.

Warranty and policy are subject to change without prior notice.
